

# You've done it all

*/D*                      *D/C#*                      */Bm*                      *Bm/A*                      */G*  
The words and promises I make    can never take me to that place  
*D/F#*                      */Em*                      *D/A*                      *A*  
Where I                      deserve to know God's fav - our.

*/D*                      *D/C#*                      */Bm*                      *Bm/A*                      */G*  
Though I went searching for the Truth I never really understood,  
*D/F#*                      */Em*                      *D/A*                      *A*  
I thought                      I earned grace through my lab - ours.

*/Bm*                      *Bm/A*                      */G<sup>9</sup>*                      *A*  
*But now the light has dawned.*

*/Bm*                      *Bm/A*                      */G<sup>9</sup>*  
*Yes, now the light has dawned;*

*/D*                      *D/C#*                      */G*  
*You've done it all, \_\_\_\_\_ Jes - us!*

*/D*                      *D/C#*                      */G*  
*You've done it all, \_\_\_\_\_ Jes - us!*

*/D*                      *D/C#*  
*I was pardoned, healed and justified;*

*/Bm*                      *Bm/A*  
*On that day, by faith I recognised*

*/G<sup>9</sup>*                      */A<sup>sus4</sup>*                      *A*                      *//*  
*You've done it all!*
