

# We Cry Freedom

G

This is a time in human history

D

When many suffer for their faith

Am

A rising tide of Godless culture

C

Has loosed such prejudice and hate

G

While some may focus on revival

D

I see a world that's darkly lit

Am

Em

Where human rights are disregarded

F

D

Intolerant views enforce their grip

## We Cry Freedom (cont)

G

The faithful witness of believers

D

Is seen as challenging the state

Am

Their only crime is meeting freely

C

For which they're victimized and shamed

G

Enduring threats of deportation

D

Or being confined with no escape

Am

Em

Their perseverance is amazing

F

D

I can't imagine what they face

G

Sportspeople get the adulation

D

Celebrities are greatly praised

Am

We'll stand with those in isolation

C

These are the heroes of our age

G

Yes we salute each individual

D

That pays the price for their beliefs

Am

Em

Though they've been silenced for the moment

F

D

We'll be the voice through which they speak
